Connection Calendar

Reclaimed Office - March 28, 2010

Description

March 4 - 28, 2010

This corporate-dominated office was ready to be reclaimed by two artists, Lana Chu and Adela Andea where they stripped the traditional office space and anchored the space with new interpretations of office materials. Installations include layers of sculptural computer components, eye catching multicolored LED lights, whimsical plastic water bottles where no discarded office supplies are left behind!

RECEPTION: March 12, 2010, 6 - 8 pm
